A first impression

On the border of the XII. district KÚTVÖLGY and VIRÁNYOS a really LARGE apartment with multiple uses is for sale. The complete renovation gives the opportunity to create a spacious, modern home, or office. Due to its ground floor location it can also be used as a Yoga/Pilates or Fitness Studio or Beauty Salon. The apartment has a large terrace running around both sides of the 42 sqm living room. A 30 sqm garage can also be purchased separately, which can be sold later. Each apartment in the house has its own separate entrance, which further enhances the private character of this already quiet side street.
