A first impression

The layout of the villa was designed as a "U", with an infinity pool in the middle. The opening faces east and down the slope. The left wing houses the bedrooms and a large south-facing terrace on the upper floor. On the ground floor, the kitchen and the dining room are arranged. The living room with the glass fireplace is in the middle section. In the corner rises the observation tower with the main entrance. The garage opens from the 2nd corner. The right wing has a separate entrance and accommodates the guests. In total, the property has 5 bedrooms with their respective bathrooms, 1 guest toilet as well as 1 outdoor shower.

Details of amenities

This villa has underfloor heating and air conditioning and is supplied by a sustainable Stiebel-Eltron heat pump.

Furthermore, electricity is generated by a photovoltaic system with an E3DC storage tank for the greatest possible self-sufficiency of the property.

The first-class fitted kitchen was designed and installed by Stork Interior Design.
