## A first impression

For sale is a wonderful town house dating back to 1864, located in the idyllic village of LLubí in Mallorca. The two-storey house offers a cozy atmosphere and is particularly flooded with light thanks to its impressive entrance area with high ceilings. The adjoining patio serves as a cozy oasis in which to relax. On the ground floor you will find the modern kitchen with adjoining dining area, a guest bedroom and a bathroom with shower. Nice staircase leads to the upper floor, where you will find a comfortable living room with a cozy TV corner. This area can be easily converted into an additional bedroom if necessary. The spacious master bedroom with en suite bathroom is also located on the upper floor. The charming townhouse was completely renovated in 2004 and is very well maintained - a real gem for immediate occupancy. Heating provides cozy warmth, while an excellent Internet connection offers modern convenience.

## All about the location

Llubí is a village in the center of Mallorca. It is 38 km from Palma and 17 km from the bay of Alcudia. Nearby are the villages of Muro, Santa Margalida and the capital of the central area, Inca. Until the beginning of the 19th century, Llubí was a small village that belonged to the neighboring municipality of Muro. In the past, the economy was based on agriculture, with the production of capers standing out. Today, the town is surrounded by fields where almond, carob and fig trees grow. The restaurants, bars and stores of Llubí are scattered throughout the town, especially along the road that crosses it. Palma can be reached in 30 minutes and the beaches to the north, such as Can Picafort, are only 20 minutes away. The town also has a train connection to Palma.
