## Una prima impressione

WINNER OF THE AMSTELVEEN ARCHITECTURE PRIZE 2023 This detached design villa is located in a prime location. Nearly energy neutral with Energy Label A++. Built under architecture with "State of the Art" materials. The villa is completely detached in a very green attractive location. The international school, the center of Amstelveen and the Zuidas are within cycling distance. Various shops, schools, sports facilities and nature reserves are within walking distance. The villa has a unique length of 25 meters and has 201m<sup>2</sup> of living space. The architect has received the message that the villa blends into the environment with the following philosophy: - the villa gives joy and inspiration from every angle. - the villa is sustainable and self-sufficient. - the villa has a very healthy and stable living environment. This has resulted in a cherished villa that provides happiness, health and sustainability with an A++ energy label, completely gas-free and little to no electricity costs.
